

meBusiness Configurator Tool

SB580

It's here and it's easy...

- 1 - Stock Motors
- 2 - Modified Stock Motors
- 3 - Repeat Build Motors
- 4 - Custom Build Motors

Select, Modify & Order CONFIGURATOR TOOL

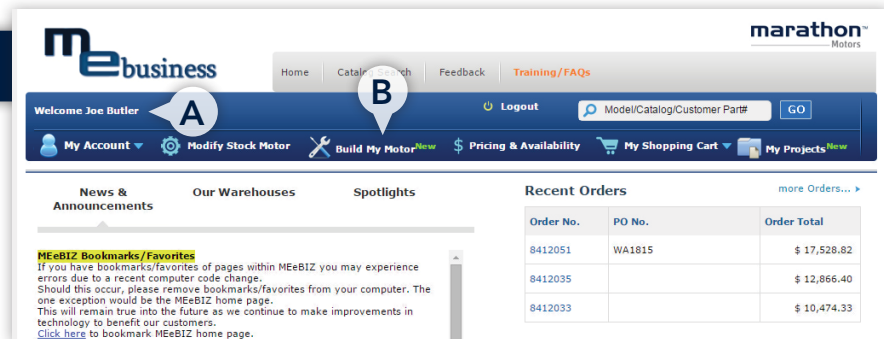

You now have the ability to quote and order stock motors, modified stock motors, repeat build motors and configure first time build motors. You will see a new link in the site menu called Build My Motor. This link will take you to the new motor configurator and allow you to enter a model number or select

attributes to build or search for the motor that meets your needs. Please log on to marathonelectric.com and navigate to ME Business site to get started. Available 24/7 to fit your schedule.

www.marathonelectric.com / ME Business

View 1:

- A** New landing page with Build My Motor tab added.
- B** Click Build My Motor to get to the Configurator.

View 2:
