

# PM500 AUTOMATIC VOLTAGE REGULATOR

## SIMPLE ANALOG SETUP

Advanced voltage regulation and generator protection in an easy-to-use, robust package.

## PERFORMANCE

Full wave regulator provides performance and motor starting equivalent to the DVR2000E+.

## ROBUST PROTECTION

- Under Frequency with Front Panel Indicator and Adjustable Volts/Hz Operation
- Over Voltage with Replaceable Fuse and Emergency Operation Mode
- Over Excitation with Front Panel Indicator

## AGENCY APPROVAL

- UL Recognized and UL Certified for Canada – Component per UL file E222903
- CE mark for the European Union

## FLEXIBLE OPERATION

- 175V – 600Vac Direct Voltage Sensing Input
- Three Phase or Single Phase Regulation
- 60Hz or 50Hz Operation
- Remote Voltage Adjust via 0 – 10Vdc Analog Signal with Fine Tune Adjustment Pot
- Manual Voltage Adjust at the Generator with Optional Field Mount Rheostat
- 5A or 1A CT Connections for Paralleling Applications with Adjustable Droop Range
- All Options DIP Switch or Jumper Selectable – No Programming Required

# PM500 AUTOMATIC VOLTAGE REGULATOR

## SPECIFICATIONS

**Voltage Regulation** –  $\leq 0.5\%$  with  $\leq 4\%$  engine governing

**Voltage Build-up** – Voltage build-up with residual voltage  $> 5\text{Vac}$

**Thermal Drift** –  $0.05\%$  per  $^{\circ}\text{C}$  change in AVR ambient temperature

**Output Power, Continuous** –  $170\text{Vdc}$  at  $3.5\text{A dc}$ ,  
**Forcing** –  $170\text{Vdc}$ ,  $7\text{A dc}$  for 10 seconds

**Sensing (Average)** –  $175$  to  $600\text{Vac}$ ,  $60/50\text{Hz}$ , 3 Phase/1 Phase

**Exciter Field Resistance** –  $9$  ohms, minimum

**Input Power** –  $200$  to  $260\text{Vac}$ ,  $300 / 250$  Hz PMG Power Supply

**Remote Voltage Adjustment** –  $\pm 20\%$  with  $0\text{-}10\text{Vdc}$  or  $\pm 5\text{Vdc}$

**Manual Voltage Adjustment** –  $\pm 5\%$  with  $500$  ohm rheostat  
 $\pm 10\%$  with  $1000$  ohm rheostat

**Under Frequency Protection** –  $57\text{Hz}$  factory preset for  $60\text{Hz}$  operation,  $47\text{Hz}$  factory preset for  $50\text{Hz}$  operation.

**Weight** –  $1$  lb ( $470\text{g}$ )

**Operating Temperature** –  $-40^{\circ}\text{C}$  to  $+70^{\circ}\text{C}$   
( $-40^{\circ}\text{F}$  to  $+158^{\circ}\text{F}$ )

**Storage Temperature** –  $-40^{\circ}\text{C}$  to  $+85^{\circ}\text{C}$   
( $-40^{\circ}\text{F}$  to  $+185^{\circ}\text{F}$ )

**Power Dissipation** –  $12$  watts

**Size** –  $5.9''$  L x  $5.3''$  W x  $2.2''$  H  
( $150\text{mm}$  L x  $135\text{mm}$  W x  $55\text{mm}$  H)

## Electromagnetic Compatibility Tests

### Immunity

IEC61000-4-2	Electrostatic Discharge (ESD)
IEC61000-4-3	Radiated RF
IEC61000-4-4	Electrical Fast Transient
IEC61000-4-5	Surge
IEC61000-4-6	Conducted RF
IEC61000-4-11	

### Emission

EN61204-3	Conducted RF
CISPR 22	
IEC61000-3-2	Harmonic IEC
IEC61000-3-3	Flicker IEC

## APPLICATION CONSIDERATIONS

The proper selection and application of power generation products and components, including the related area of product safety, is the responsibility of the customer. Operating and performance requirements and potential associated issues will vary appreciably depending upon the use and application of such products and components. The scope of the technical and application information included in this publication is necessarily limited. Unusual operating environments and conditions, lubrication requirements, loading supports, and other factors can materially affect the application and operating results of the products and components and the customer should carefully review its requirements. Any technical advice or review furnished by Regal Beloit America, Inc. and its affiliates with respect to the use of products and components is given in good faith and without charge, and Regal assumes no obligation or liability for the advice given, or results obtained, all such advice and review being given and accepted at customer's risk.

For a copy of our Standard Terms and Conditions of Sale, Disclaimers of Warranty, Limitation of Liability and Remedy, please contact Customer Service at 1-800-324-1980. These terms and conditions of sale, disclaimers and limitations of liability apply to any person who may buy, acquire or use a Regal Beloit America Inc. product referred to herein, including any person who buys from a licensed distributor of these branded products.
